(if needed to address proposals or NPA)

Registration is required to participate in NCUTCD Council, technical committee, and joint committee meetings. Exceptions must be approved by the Executive Secretary.

All participants will be expected to access the virtual meeting via computer and have correct first and last name displaying. Telephone login may be used for audio, but no telephone-only participation will be allowed. Participants listed only by telephone number or by other than name are subject to disconnection and removal without refund.

The ability to speak and appear during the Council meeting will be limited to Council members and those presenting to Council. We expect to have a chat function available in Council meeting for input from the general audience.
